Jewel's Caring Heart!

Jewel is our sweet shining star for this quarter! She is currently working as a caregiver with Crystal Creek Care in Pensacola. She is a kind, compassionate and dedicated young lady who truly loves the work that she does. Jewel has devoted her time in caring for her family and when she began thinking about her future, she felt that this career path was the way to go. She has shown determination and resilience throughout many trials and setbacks she has encountered. Jewel's story is a wonderful reminder that caring for others can make a meaningful difference – and that with determination, perseverance, and a caring heart, we can also make a difference in our own lives. We are so proud of you, Jewel, and all that you have accomplished and we are excited to see how God uses you!

Growing Job Skills Through Community Partnerships!

Vision of Hope is grateful for our relationship with Tractor Supply and their willingness to provide meaningful, hands-on learning opportunities for our participants. During visits, participants practice real workplace skills such as watering plants, removing dead flowers, organizing clothing, sweeping floors, and blowing off the parking lot. These experiences give participants the opportunity to learn in an actual work environment while building confidence, responsibility, independence, and good work habits. We are thankful to Tractor Supply for opening their doors to Vision of Hope and investing in the future of individuals with unique abilities.

UPCOMING

Thank you to all of our participants, families, volunteers, and community partners who make these moments possible. Together, we're creating opportunities, memories, and futures full of hope.

Making a Difference on Charity Day!

This September, we were blessed to be chosen once again to participate in Tidal Wave Auto Spa's 18th Annual Charity Day! Our participants and parents had the opportunity to share more about Vision of Hope and the ministry that God has given us with many people in our community. It was a wonderful day filled with fellowship, service, and an opportunity to share our mission with others. Events like this allow us to build new relationships in our community while raising awareness of the opportunities available for individuals with unique abilities.We are incredibly grateful to Tidal Wave Auto Spa for believing in the work of local charities and investing in organizations like Vision of Hope. Thank you for helping us continue to bring hope, opportunities, and a sense of belonging to individuals with unique abilities and their families!

Sportsmen Giving Back!

We are incredibly honored that Vision of Hope was selected as one of the local organizations to receive support from this year's Sportsman Givin' Back banquet. This year was especially meaningful as SGB celebrated 15 years as a nonprofit and their incredible milestone of giving $1 million back to the community since 2012. What an amazing accomplishment and testament to the generosity of the SGB community.

We would also like to give a BIG thank you to all our amazing parents and families who donated baskets for the silent auction! Your creativity, generosity, and willingness to support Vision of Hope helped make the evening even more special. We truly had some beautiful and thoughtfully put-together baskets, and we are so thankful for each person who contributed!

It truly takes a community to make a difference, and we are blessed to be surrounded by people who continue to believe in and support the mission of Vision of Hope. Thank you again to Sportsman Givin' Back, our wonderful parents, families, and everyone who helped!

Growing Our Vision!

This September, we were thrilled to open a new class at Woodbine Church! We are incredibly grateful for this wonderful opportunity to expand our program and welcome 10 new students into our Vision of Hope family. We are excited to see all the friendships, growth, and opportunities this new class will bring!
